

CURRICULUM VITAE

Jesse T. Fischer, Ph.D.

jesse@jfischerphd.com

(424) 272-1374

JFischerPhD.com

LICENSURE

- July 2021 **California Licensed Psychologist PSY 32710**
- February 2017 - 2020 **Licensed Psychological Associate** (License # 37591 - Retired)
Texas State Board of Examiners of Psychologists

CLINICAL POSITIONS

- 10/2022 – Current **Pediatric Neuropsychologist**
The Center for Connection
Pasadena, CA
- 1/2022 – Current **Clinical Neuropsychologist**
West LA Neuropsychology, PC
Los Angeles, CA
- 12/2021 – Current **Pediatric Neuropsychologist**
Barbara Hoskins and Associates
Pasadena, CA
- 8/2021 – Current **Pediatric Neuropsychologist**
Leah Ellenberg, PhD and Associates
Beverly Hills, CA

EDUCATION

- 2019 – 2021 **Lifespan Postdoctoral Fellowship, Clinical Neuropsychology of Brain Injury and Sports Concussion**
UCLA BrainSPORT Program / Semel Institute, APA Accredited
- 2018 – 2019 **Predoctoral Clinical Psychology Internship**
Pediatric Neuropsychology Track
UCLA Medical Psychology Assessment Center (MPAC) / Semel Institute, APA Accredited
- May 2019 **Doctor of Philosophy, Clinical Neuropsychology Major Area of Study**
University of Houston Clinical Psychology Program, Houston, Texas
APA Accredited
Advisors: Linda Ewing-Cobbs, Ph.D., H. Julia Hannay, Ph.D., Paul Cirino, Ph.D.

Dissertation: Frontostriatal White Matter Integrity Relations with ‘Cool’ and ‘Hot’ Self-regulation Following Pediatric Traumatic Brain Injury

August 2015

Master’s of the Arts, Psychology, University of Houston

Thesis Title: Sleep Disturbances Following Pediatric Traumatic Brain Injury

Co-chairs: Linda Ewing-Cobbs, Ph.D., H. Julia Hannay, Ph.D.

May 2010

Bachelor of the Arts, Occidental College, Los Angeles, California

Major: Psychology; Minor: Kinesiology

CLINICAL TRAINING

Post-doctoral Fellowship in Neuropsychology – UCLA BrainSPORT Program / Semel Institute

8/2019 – 8/2021

Clinical Neuropsychology of Brain Injury and Sports Concussion Fellowship

Preceptor: Talin Babikian, Ph.D., ABPP/CN

Clinical Supervisors: Talin Babikian, Ph.D., ABPP/CN, Douglas Polster, Ph.D., Christopher Giza, M.D., Patricia Walshaw, Ph.D., Leah Ellenberg, Ph.D., ABPP/CN, Robert Bilder, Ph.D. ABPP/CN, Janiece Turnbull, Ph.D., Paola Suarez, Ph.D., Vindia Fernandez, Ph.D., Heleya Rad, Psy.D.; Delany Thrasher, Ph.D., ABPP/CN, Dio Maris Safi, Ph.D., Linda Ercoli, Ph.D., Susan Bookheimer, Ph.D., Xavier Cagigas, Ph.D.

- Clinical duties for the **Steve Tisch BrainSPORT Program** included assessment and psychotherapy for individuals with history of concussion and traumatic brain injury across the lifespan, though primarily with pediatric populations. I also conducted comprehensive neuropsychological evaluations with complex medical populations across the lifespan through the **Medical Psychology Assessment Center (MPAC)** and **Hispanic Neuropsychiatric Center of Excellence (HNCE)**. This clinical neuropsychology postdoctoral fellowship was in line with guidelines of the American Board of Professional Psychology/American Board of Clinical Neuropsychology (ABPP/ABCN), Division 40, and Houston guidelines for training in neuropsychology.

Predoctoral Internship in Clinical Psychology - UCLA Semel Institute

7/2018 – 7/2019

Pediatric Neuropsychology Major Rotation

Medical Psychology Assessment Center (MPAC), UCLA Semel Institute

Preceptor: Sandra Loo, Ph.D.

Clinical Supervisors: Patricia Walshaw, Ph.D., Leah Ellenberg, Ph.D., ABPP/CN, Janiece Turnbull, Ph.D., Carlos Saucedo, Ph.D., ABPP/CN, Talin Babikian, Ph.D., ABPP/CN, Oren Boxer, Ph.D., Karen Wilson, Ph.D., Roger Light, Ph.D., ABPP/CN, Amy Schonfeld, Ph.D., Karen Schiltz, Ph.D., Ani Dillon, Psy.D., Ted Evans, Ph.D.

- Administered flexible batteries of neuropsychological, academic, and intelligence tests to children aged 5-17. Led interviews, feedbacks, and composed integrative reports. Patients presented with complex health sequelae, including (pre- and post-surgical) seizure disorders, head injury and concussion, hematology-oncology and metabolic disorders, brain tumor, learning disorders, and other neurological and neurodevelopmental disorders.

3/2019 – 7/2019

UCLA Brain Bootcamp

Longevity Center, UCLA Semel Institute

Supervisors: Karen Miller, Ph.D., Angela Huntsman, Ph.D.

- Group and individual cognitive training for patients seeking to improve memory skills. Worked with young adult to geriatric populations including patients with neurodegenerative disease and healthy adults. Training program designed by Gary Small, Ph.D. and Karen Miller, Ph.D.

11/2018 – 3/2019 **UCLA PEERS Minor Elective rotation**
 Department of Psychiatry, UCLA Semel Institute
Supervisors: Elizabeth Laugeson, Ph.D.; Shannon Bates, Psy.D.

- Earned PEERS Certification through PEERS for Adolescents 3-day training. Assisted weekly group social skills training using this evidence-based treatment for adolescents with Autism Spectrum Disorder. Participated in both adolescent-and parent-focused groups.

7/2018 – 11/2018 **UCLA BrainSPORT Minor Elective rotation**
 Department of Pediatrics, UCLA Neurology
Supervisor: Talin Babikian, Ph.D., ABPP/CN

- A multidisciplinary subspecialty service for children, adolescents, and adults with a history of concussion and more severe traumatic brain injury, presenting in acute and chronic stages post-injury. Co-led neurodiagnostic interviews and feedbacks, led administration of brief neurocognitive screens, and composed integrative reports with quick turnaround.

Graduate School Practica – University of Houston Clinical Psychology Program

9/2017 – 6/2018 **Neuropsychology Practicum**
 Department of Neuropsychology, Texas Children’s Hospital (TCH)
Supervisors: David D. Schwartz, Ph.D.; Isabella Iovino, Ph.D.

- An outpatient psychology clinic for children and adolescents aged 2-17 with complex health sequelae, including hematology-oncology and metabolic disorders, seizure disorders, head injury and concussion, learning disabilities, and other neurological and neurodevelopmental disorders. Received extensive weekly supervision for patients. Conducted interpreter-mediated evaluations for Spanish-speaking patients and families.

7/2017 – 6/2018 **Clinical Psychology Practicum**
 Texas Children’s Hospital, Family Skills Training for ADHD-Related Symptoms (Family STARS)
Supervisor: David F. Curtis, Ph.D.

- Evidence-based intensive behavioral intervention treating children ages 6-17 with attention/hyperactivity-related and disruptive behavior disorders. Conducted diagnostic intakes, individual child and parent focused behavioral therapy, family feedback, treatment planning and supervision via direct live and video observation.

8/2015 – 5/2018 **Clinical Psychology Practicum**
 University of Houston Psychology Research & Services Center
Supervisors: Robin Weill, Ph.D.; Gerald Harris, Ph.D.

- Evidence-based outpatient psychotherapy serving adults with a range of mental health disorders in a diverse community population. Conducted comprehensive psychodiagnostic assessments for integrated reports regarding treatment and academic recommendations.

8/2016 – 9/2017

Neuropsychology Practicum

TIRR Memorial Hermann Outpatient Rehabilitation Hospital
Supervisor: Michael Cullen Gibbs, Ph.D.

- An outpatient neuropsychology and rehabilitation clinic for children with complex health sequelae, including head injury and concussion, anoxic brain injury, epilepsy, learning disabilities, and other neurological and neurodevelopmental disorders. Co-led cognitive rehabilitation group for adults.

4/2017 – 9/2017

Volunteer Neuropsychology Extern

IRONMAN Sports Medicine Institute Concussion Program
Supervisor: Summer Ott, Psy.D.

- Observation and clinical support of evaluation, consultation, and feedback of children and adults with a history of concussion, including sports and non-sport related injuries. Co-led interviews and assessments.

5/2016 – 8/2017

Clinical Psychology Practicum

Texas Children's Hospital Center for Children and Women
Supervisor: Stephanie Chapman, Ph.D.

- An integrative pediatric medical home serving children ages 2-17 along with postpartum mothers in an underprivileged region of Houston. Provided multiple evidence-based treatments via outpatient individual, family, and CBT-based group psychotherapy, and behavioral intervention. Interdisciplinary didactics and case consultation with primary care physicians and psychiatrists conducted weekly.

1/2016 – 8/2016

Clinical Psychology Practicum

University of Houston Adolescent Diagnosis Assessment Prevention
 Treatment Center (ADAPT)
Supervisor: Carla Sharp, Ph.D.

- Evidence-based individualized psychotherapy for adolescents aged 12-17 with emotional and relationship difficulties. Comprehensive psychodiagnostic assessments with integrated reports regarding treatment.

8/2015 – 9/2016

Neuropsychology Practicum

TIRR Memorial Hermann Inpatient Rehabilitation Hospital
Supervisor: Margaret Struchen, Ph.D.

- Neuropsychological evaluation, mental status assessment, report writing, and brief psychotherapy of individuals ages 16-94 with complex health sequelae, including head injury, dementia, Alzheimer's Disease, stroke, polytrauma, spinal cord injury, and disorders of consciousness. Co-led a brain injury family support group and participated in feedback.

Post-Baccalaureate Training

5/2012 – 6/2014

Pediatric TBI/Sports Concussion Clinic Coordinator

UCLA BrainSPORT Program, Los Angeles, CA
Supervisors: Christopher Giza, M.D.; Talin Babikian, Ph.D., A.B.P.P.

- Neuropsychological testing administration and scoring of children and adults after sports concussion. TBI/sports concussion psychoeducation, feedback, parent education in school and clinical setting.

Assisted with more than 350 baseline concussion evaluations for prep, collegiate, and professional athletes.

4/2011 – 7/2014 **Primary Residential Counselor**
The Independence Center, Culver City, CA
Supervisor: Judy Maizlish, M.A.

- Mentored and counseled adolescents and adults with neurodevelopmental and psychiatric disorders in individual and group settings.

7/2010 – 5/2011 **Behavioral Interventionist**
ACES, Irvine, CA

- Provided in-home behavioral treatment to children ages 3-10 on the autism spectrum, using applied behavior analysis (ABA) and other evidence-based treatment methods.

RESEARCH EXPERIENCE

8/2019 – 8/2021 **UCLA Steve Tisch BrainSPORT Program**
Los Angeles, CA *Clinical Research Fellow*
Supervisors: Talin Babikian, Ph.D., ABPP/CN, Christopher C. Giza M.D.
Major Projects: The Home-based Intervention for Post-concussive Symptoms (HIPS), Concussion Assessment Research and Education (CARE) Consortium, Four Corners Youth Consortium (4CYC), Recovery After Pediatric Brain Injury (RAPBI)

- I conducted research interventions, data collection, analysis, and writing of related posters and manuscripts. Projects consist of clinical CBT/biofeedback-based research intervention targeting autonomic response to stressors, multi-site studies of youth and collegiate concussion, as well as multimodal neuroimaging research in more severe pediatric brain injury.

8/2014 – 6/2018 **Brain Research Analysis in Neurodevelopment (BRAIN) Lab**
Houston, TX *Graduate Research Assistant,*
Supervisors: Linda Ewing-Cobbs, Ph.D., Dana DeMaster, Ph.D.
Major Projects: Traumatic Stress After Pediatric Injury: Neurobiological Influences.

- Involved at all levels of research from writing posters and manuscripts to assistance with database management, processing, support with research battery, cortisol stress tests, and analyzing structural neuroimaging data of children and adolescents aged 8 to 15 with traumatic brain injury as part of NIH-funded grants. Diffusion tensor imaging pipeline utilized FSL, Freesurfer, and SPSS.

5/2012 – 6/2014 **UCLA Pediatric TBI/Sports Concussion Program**
Los Angeles, CA *Research Coordinator*
Supervisors: Christopher Giza, M.D.; Talin Babikian, Ph.D., ABPP-CN
Major Projects: National Sports Concussion Outcome Study; Recovery After Pediatric Brain Injury (RAPBI) study; Rehabilitation of Cognition in Children and Adolescents After Traumatic Brain injury study.

- Assisted and coordinated multiple NIH-funded multisite research studies, conducted baseline concussion, abbreviated neuropsychology, structural MRI research protocols, trained as a “CogMed coach” for computerized training.

1/2008 – 8/2014
Los Angeles, CA

Occidental College Developmental Psychology Lab

Principal Investigator

Advisors: Andrea Hopmeyer, Ph.D.; Brian Kim, Ph.D.

Major Projects: Associations Between College Crowd Affiliations and Health Outcomes.

- Led a research group of undergraduate students to analyze peer crowds and their relationship to substance use, risky sexual behaviors and other factors in school-aged children and college students.

6/2010 – 6/2012
Los Angeles, CA

UCLA Anxiety Disorders Research Center

Research Assistant

Supervisors: Michelle G. Craske, Ph.D., Kate Wolitzky-Taylor, Ph.D.

Major Projects: Youth Emotion Project; Neural Mediators of Behavior Therapy for Social Anxiety Disorder.

- Conducted randomized clinical trial laboratory assessments, screening, and quality control for Anxiety Disorders Interview Schedule (ADIS-IV), Life Stress Interview protocols and Structured Clinical Interview for DSM-IV Disorders (SCID-IV) observation.

SPEAKERSHIPS AND LECTURES

- 2022 **Psychological Research on Peer Crowd Affiliation and Professional Development in Psychology**
Invited Guest Speaker – *Adolescence Psychology course*, Occidental College
- 2021 **Clinical Neuropsychology of Traumatic Brain Injury and Peer Crowds**
Invited Guest Speaker – *Adolescence Psychology course*, Occidental College
- 2021 **Advocacy in Neuropsychology**
Guest Speaker – Neuropsychology Informal Brown Bag Lunch Seminar, UCLA
- 2021 **The Role of Early Developmental Experiences and Family Environment in Neurobehavioral Outcomes Following Pediatric Traumatic Brain Injury**
Guest Speaker – *Pediatric TBI Weekly Group Meeting*, UCLA BrainSPORT Program
- 2021 **Persistent Post Concussion Symptoms (PPCS): Management and Intervention**
Invited Guest Speaker – *Speech and Language Pathology Monthly Seminar*, UCLA
- 2021 **Concussion in Youth Sports**
Breakout room leader – *National Coaches and Sport Program Directors Meeting*, Up2Us Sports
- 2020 **Pediatric Neuropsychology of Pre-Surgical Epilepsy: A Case Presentation**
Guest Speaker – *Pediatric TBI Weekly Group Meeting*, UCLA BrainSPORT Program
- 2020 **Clinical Neuropsychology of Traumatic Brain Injury**
Invited Guest Speaker – *Developmental Psychology course*, Occidental College

- 2020 **Pathways to Graduate School and Beyond in Psychology**
Invited Guest Speaker – *Intro to Psychology* course, Occidental College
- 2020 **Sleep and Performance for Athletes**
Invited Speaker – LA Dodgers Foundation
- 2016 **Sleep Disturbances and Internalizing Behavior Problems Following Pediatric Traumatic Brain Injury.**
Invited Speaker – *Houston Neuropsychological Society* monthly meeting, Houston, TX.
- 2015 **Sleep Disturbances Following Pediatric Traumatic Brain Injury**
UH Clinical Psychology Weekly Student Brown Bag Series, Houston, TX
- 2013 **Academic Achievement, Reaction Time, and Symptom Report after TBI**
Neurology Residents Pediatric Rotation Grand Rounds, UCLA
- 2013 **Traumatic Brain Injury and Sports Concussion Program Overview**
Pediatric TBI Basic and Clinical Science Meeting, UCLA
- 2012 **Impact of TBI on Academic Achievement**
Journal Club, Pediatric Neurology, UCLA

LEADERSHIP AND SERVICE

- 2021 – Present *Member, Mentorship program - YORKconnection* (Occidental College mentoring program)
- 2021 – Present *Member, Mentorship program - Society for Black Neuropsychology*
- 2021 *Asylum and Immigration Crisis 2021 Virtual Training - LA Human Rights Initiative / UCLA DGSOM Asylum Clinic*
- 2020 – 2021 *Advocacy in Neuropsychology subcommittee – UCLA Division of Psychology Anti-racism task force*
- 2020 *Becoming an Anti-racist Educator – UCLA CEILS (Center for Enrichment Innovation and Learning in the Sciences) training*
- 2018 *Forensic Asylum Evaluation Training – LA Human Rights Initiative / DGSOM*
- 2018 *Certified Provider – PEERS (Program for Education and Enrichment of Relational Skills) for Adolescents*
- 2017 – 2018 *Student Representative – Houston Neuropsychological Society (HNS)*
- 2017 – 2018 *UH Representative – Division 40 Association of Neuropsychological Students*
- 2017 – 2018 *Member – UH student planning committee for immigrant, refugee, trauma clinic*
- 2016 – 2017 *UH Student Representative – Clinical Neuropsychology Area of Concentration*

PROFESSIONAL PRESENTATIONS

Fischer, J. (2022). ‘Cool’ and ‘hot’ self-regulation: Associations with frontostriatal white matter after pediatric TBI. Symposium entitled: Contributions of Structural Neuroimaging to Understanding and Predicting Cognitive and Behavioral Outcomes After Paediatric TBI. Presented at the International Brain Injury Association’s Joint Conference on Brain Injury, New York, NY.

Snyder, A., Sheridan, C., ... **Fischer, J.**, Bickart, K., Babikian, T., Giza, C., Choe, M., Asarnow, R. (2021). *Breathing after Concussion: The influence of cardiorespiratory functioning on cognitive performance*. Virtual poster to be presented at 49th Annual International Neuropsychology Society Meeting.

Fischer, J., Ewing-Cobbs, L., Cirino, P., Alfano, C., Bick, J., Fan, W., DeMaster, D. (2019, February). *Frontostriatal white matter integrity relations with ‘cool’ and ‘hot’ self-regulation following pediatric traumatic brain injury*. Poster presentation at Annual International Neuropsychology Society Meeting, New York, NY.

Ewing-Cobbs, L., DeMaster, D., Watson, C., **Fischer, J.**, Prasad, M., Juranek, J., Duque, G., Cox, C.S. (2018, September) Post-traumatic stress symptoms after pediatric injury: Are they related to prefrontal-limbic pathways? Presentation at the Third International Conference on Pediatric Acquired Brain Injury, Belfast, N.I.

Fischer, J., Hannay, H.J., Alfano, C., Swank, P., Ewing-Cobbs, L. (2017, February). Sleep disturbances and internalizing behavior problems following pediatric traumatic injury. Paper presentation at *International Neuropsychological Society* meeting, New Orleans, LA.

DeMaster, D., Juranek, J., **Fischer, J.**, Ewing-Cobbs, L. (2017, May). *Emotion Recognition and White Matter Integrity in Children with Traumatic Brain Injury*. Poster presentation at Society for Research on Child Development, Austin, TX.

- Fischer, J.**, Hannay, H.J., Alfano, C., Swank, P., Ewing-Cobbs, L. (2017, March). *Internalizing Behavior Problems and Sleep Disturbances Follow Unidirectional Pathways Following Traumatic Injury*. Poster presentation at 12th Annual International Brain Injury Congress, New Orleans, LA.
- Fischer, J.**, Hannay, H.J., Alfano, C., Swank, P., Ewing-Cobbs, L. (2017, February). *Sleep Disturbances and Internalizing Behavior Problems Following Pediatric Traumatic Brain Injury*. Paper presentation at the 45th Annual International Neuropsychology Society Meeting, New Orleans, LA.
- Fischer, J.**, Hannay, H.J., Ewing-Cobbs, L. (2016 April). *Sleep Disturbances and Internalizing Behavior Problems Following Pediatric Traumatic Brain Injury*. Poster presented at the UH Clinical Psychology Research Showcase Meeting, Houston, TX.
- Fischer, J.**, DeMaster, D., Juranek, J., Cox, C.S., Kramer, L.A., Hannay, H.J., Ewing-Cobbs, L. (2015, June). *Chronic White Matter Damage Following Pediatric Traumatic Brain Injury*. Poster presentation at the National Neurotrauma Society Symposium, Sante Fe, NM.
- Furukawa, D., Choe, M.C., **Fischer, J.**, McArthur, D.L., Yudovin, S., Zeiger, M., Giza, C.C. (2015, March). *Pediatric Sleep Disturbance and Sports Related Concussions*. Poster presented at UCLA David Geffen School of Medicine Annual Senior Scholarship Day, Los Angeles, CA.
- Ng, A., Choe, M.C., Yudovin, S., **Fischer, J.**, McArthur, D.L., Giza, C.C. (2014, October). *Unusual (and not-so-unusual) Sequelae of Pediatric Traumatic Brain Injury*. Poster presented at Child Neurology Society Annual Meeting, Columbus, OH.
- Choe, M.C., Zeiger, M., **Fischer, J.**, Behmanesh, K., Yudovin, S., Giza, C.C. (2014, October). *Complicated Mild: Redefining Severity in Traumatic Brain Injury*. Poster presented at Child Neurology Society Annual Meeting, Columbus, OH.
- Choe, M.C., **Fischer, J.**, Zeiger, M., Yudovin, S., McArthur, D.L., Giza, C.C. (2014, June). *Postural Orthostatic Tachycardia Syndrome (POTS) after Mild TBI*. Poster presented at the National Neurotrauma Conference, San Francisco, CA.
- Zeiger, M., **Fischer, J.**, Choe, M.C., McArthur, D.L., Yudovin, S., Giza, C.C. (2014, June). *Longitudinal Recovery of Reaction Time in Acute and Chronic Concussion Patients*. Poster presented at the National Neurotrauma Conference, San Francisco, CA.
- Choe, M.C., **Fischer, J.**, Zeiger, M., Yudovin, S., McArthur, D.L., Giza, C.C. (2014, February). *Cognitive and Psychiatric Issues after Pediatric Sport-Related Concussion: a case of stuttering after TBI*. Poster presented at the Athletic Training and Sports Medicine Conference, Big Sky, MT.
- Fischer, J.**, Choe, M.C., McArthur, D.L., Giza, C.C., Asarnow, R., Babikian, T. (2013, November). *Impact of Traumatic Brain Injury on Real-world Measures of School Performance with a Pediatric TBI Clinic Population*. Poster session presented at the National Academy of Neuropsychology Meeting, San Diego, CA.
- Giza, C.C., Prins, M.L., Choe, M.C., **Fischer, J.**, Kutcher, J.S., & Hovda, D.A. (2013, October). *Fact and Fiction and Sports Concussion*. *Japan Neurosurgical Society Annual Meeting*. Presentation conducted at: Pacific Convention Plaza, Yokohama, Japan.
- Yudovin, S., Choe, M.C., **Fischer, J.**, Babikian, T., Giza, C.C. (2013, October). *Establishing a Multidisciplinary Pediatric Sports Concussion Clinic*. Poster presented at the Child Neurology Society Meeting, Austin, TX.

Hartonian, I., Babikian, T., Yudovin, S., Valino, H., **Fischer, J.**, Giza, C.C. (2013, October). *Sport-related Traumatic Brain Injury in youth: Impact on Behavioral Functioning*. Poster session presented at the American Academy of Neurology Meeting, San Diego, CA.

Choe, M.C., **Fischer, J.**, Yudovin, S., McArthur, D.L., Asarnow, R., Giza, C.C. (2013, October). *Risk Factors for Post-Traumatic Headaches after Sport-related TBI in a Pediatric Subspecialty Clinic Population*. Poster presented at the American Academy of Neurology Meeting, San Diego, CA.

JOURNAL REVIEW EXPERIENCE

- 2020** Peer Reviewer, *Journal of Child Psychology and Psychiatry*
2017 Student Reviewer, *Journal of the International Neuropsychological Society*
2015 Student Reviewer, *Journal of Experimental Clinical Psychology*

AWARDS, CERTIFICATIONS, AND PROFESSIONAL MEMBERSHIP

- | | |
|----------------|---|
| 2021 – Present | GAMHPA – Glendale Area Mental Health Professionals Association |
| 2018 – Present | Member – APA Division 40 Society for Clinical Neuropsychology |
| 2015 – 2016 | Member – UH Student Committee to Review Clinical Program Changes |
| 2014 – 2016 | Presidential Graduate Fellowship, University of Houston |
| 2009 – 2010 | “Anne Powell Award” for Outstanding Dedication and Service – Hathaway-Sycamores
Child & Family Services Center |
| 2009 | 2 nd Team NCAA Division III All-Southern California Intercollegiate Athletic Conference
(SCIAC) Defensive End |
| 2009 | Team Captain – Football Team, Occidental College awarded by teammates |
| 2008 – 2010 | Scholar-Athlete – NCAA SCIAC |
| 2008 – 2009 | Dean’s List – Occidental College |

TEACHING EXPERIENCE

Introductory Psychology (PSYC-1300), University of Houston, Department of Psychology

Instructor with full responsibility

- Spring 2017: 81 Undergraduate Students
- Fall 2016: 78 Undergraduate Students

Teaching Assistant

- Spring 2016: 88 Undergraduate Students
- Fall 2015: 79 Undergraduate Students

Psychology of Personality (PSYC-3225), University of Houston, Department of Psychology

Instructor with full responsibility

- Spring 2018: 85 Undergraduate Students
- Fall 2017: 83 Undergraduate Students
- Summer 2017: 68 Undergraduate Students

Teaching Assistant

- Summer 2016: 76 Undergraduate Students
-
